2019 King and Queen

Christopher Schwen ■ Susan Makowski

On Friday, Nov. 13, Independent Resources, Inc., (IRI) will hold its 17th Annual Disability Ball.

This very special event brings together many different disabled communities to have a wonderful evening and a once-in-a-lifetime experience.

The Disability Ball was created because many disabled people never had the opportunity to attend a high school prom or other formal event.

At the Ball, guests enjoy a social hour, seated-served dinner and dancing to a DJ. Other activities at the event include the crowning of a King and Queen, a gift drawing, and a photographer to record the event.
